

PEVACARE

The **skin care cream** with panthenol for general skin care.

PROPERTIES

PEVACARE is a skin care cream for application after mild skin stress and for general skin care.

- ✓ Moisturises and is therefore also suitable for dry skin.
- ✓ is easily distributed on the skin and is quickly absorbed.

COMPOSITION

PEVACARE consists of selected, high-quality raw materials and the active ingredients glycerine and panthenol.

- Glycerin is a very good moisturiser, which increases the skin's ability to store water*.
- D-panthenol is a provitamin of pantothenic acid (Prov. B5) which is well absorbed by the skin. D-panthenol promotes wound healing, stimulates epithelisation, cell division and skin pigment build-up*.
- Has a light, fruity fragrance
- Is pH-skin neutral
- Is silicone-free
- Dermatologically tested with a rating of „very good“.

APPLICATION

Apply **PEVACARE** after work to cleansed, dry skin and rub in well.

PEVACARE can be applied to the entire body. Regular use is a basic requirement for keeping the skin healthy.

PRODUCT DESCRIPTION

PEVACARE is a white cream, scented.
pH-value: 5.0 – 5.8
Density: approx. 0.99 g/cm³ (20°C)

* according to literature

LEGAL REGULATIONS

PEVACARE is subject to the EU Cosmetics Regulation and in Germany to the Food, Consumer Goods and Feed Code (LFGB).

All our cosmetic products are manufactured according to GMP (Good Manufacturing Practice) and undergo microbial quality control.

STORAGE INSTRUCTIONS

PEVACARE can be stored in closed original containers at room temperature for at least 24 months.

SKIN CARE TIPS

In case of unavoidable exposure to harmful substances, an appropriate skin protection product should be used before work to prevent skin damage (e. g. the generally applicable skin protection lotion **PEVAPERM**).

Depending on the type of soiling, an adapted hand cleanser should be used (e.g. **PEVASTAR SOFT scrub** for medium to heavy soiling or **PEVA PREMIUM** for extreme soiling).

FURTHER INFORMATION

Group leaflets, specifications and dermatological reports are available on request. Certificate: The product **PEVACARE** passed dermatological-allergological tests carried out under medical supervision with the rating „very good“.
